Issue	Where you see that issue in the reading/world today

Examples of Issues in *Night*

- What is the responsibility of a survivor?
- Who bears responsibility for atrocities?
- The power of collective memory (what does society choose to remember?)
- People who remain ignorant in the face of atrocities
- People who avoid warning signs
- Refusing to accept truth (witnesses)
- Life returning to normal after tragedy
- Missed opportunities that lead to tragedy
- Hate crimes/discrimination based on religion/race
- Government/people (neighbors) not helping each other
- False optimism in the face of certain doom
- The power of family bonds during trials
- Realizing too late the seriousness of a situation
- Unspeakable cruelty of men
- The world turning away from people who need help
- Turning man into an animal
- The power of faith
- The average citizen ignoring problems
- The power of relationships
- Loss of faith/gaining faith
- The consequences of wrong decisions
- Man's responsibility to his fellow men
- Sometimes we must interfere
- Human suffering anywhere concerns men and women everywhere
